

Homemade Lovefeast Coffee

6 tablespoons of coffee
6 tablespoons of sugar
3\4 cup milk
3 tablespoons of Half and Half
6 cups of water

Brew coffee in home coffee brewer, using the low carafe temp.

Once coffee has completed brewing transfer coffee to cooking pot on stove. Warm to 150 degrees.

Add sugar to pot. Stir until completely dissolved.

In a separate container, blend half and half and milk.

Slowly add small amounts of coffee to the milk mixture until temp. of milk is up to room temperature.

While stirring the coffee, slowly add the coffee/cream mix to the pot of coffee on the stove top.

Ensure that your Lovefeast coffee is well blended.

Allow the Lovefest coffee to rest for 15 minutes.

Now you are ready to enjoy.
