Prayers for the Congregation and the World

Creator God, we bow in humble adoration of your mighty power and constant presence. We are thankful that, without discrimination, you have created all races and peoples in your image.

We are grateful that each day you are enabling us, your people, to recognize our rightful place in your creation.

Gracious God, contrary to your divine plan, racism as an ideology continues to be pervasive and divisive in this world. In many places, Black people are still considered and treated as inferior. We pray that your liberating power will set us free from such racism, through the Name of Jesus Christ our Lord, through the power of the Holy Spirit.

Amen.
